You are INVITED to be part of something “GREAT”

JET Volleyball Club is excited to announce that in October 2020 they will be opening their very own training facility that will be located at 7620 W McCormick Road. JET Volleyball Club will continue as a local nonprofit and will now be able to support more youth in the Amarillo and the surrounding areas. However this is no small task and needs your support. We are looking for community partners to help support our first of many seasons at this new facility. Here are some sponsorship opportunities for you and your business to support this new facility and local nonprofit that focuses on:

Excellence in Execution with Enthusiasm

About JET Volleyball

JET Mission Statement

JET strives to ensure that each individual athlete is given the opportunity to achieve their personal goals. Each training program is designed to enhance the players overall performance in fundamental skills. The focus will be on "Excellence in Execution with Enthusiasm"

JET Volleyball is a local nonprofit that takes a fresh approach to club volleyball in the Texas Panhandle. JET starts with young athletes and teaches fundamentals while ensuring each individual athlete is given the opportunity to focus on their own personal goals. JET uses their top-notch core training academy to help grow their athletes on and off the court.

In 2009, JET Volleyball opened its doors due to an overwhelming demand from athletes' parents who want their daughters to play on preformed teams with other athletes of similar skills. Since opening its doors, the club has celebrated many milestones with its 500 plus members including, national bids, has celebrated 10 years in the Panhandle.
