

THANK YOU!

These athletes would not be able to participate in the sport that they love without the generous support of people/businesses like yourself. Our mission is to become not just a club, but an organization that impacts the youth of Amarillo in a positive light. We cannot wait for you to be a part of that journey with us!

INDIVIDUAL ATHLETE

SPONSORSHIP/SCHOLARSHIP

Is your family or business looking to give back to our JET athletes?

Every year multiple athletes encounter adversities and hardships, making it difficult to afford extracurricular activities like club volleyball. In an effort to extend equal opportunity to all children, we wanted to create a scholarship fund that would provide the resources for those children.

- Donations applied to the scholarship fund for athletes in need of financial support
- Applicable to club/training dues, travel expenses, uniforms and additional team expenses.
- Recipients determined by JET Forward committee

BENEFITS OF PROGRAM

- Year round training for athletes
- Club volleyball team participation
- Improvement for their middle school and high school teams
- Exposure to potential college scholarships

PLAYER SPONSORSHIP

- Individual athlete sponsorship
- Business or personal
- Allocated towards specific player
- Applicable to club/training dues
- No visible advertising acknowledgement
- Donation to be determined by benefactor
